Welcome to the game

A very warm welcome to Mill Meadow for this evening's Combined Counties League match against Ascot United.

We particularly welcome their players, supporters and officials to Chalfont and hope they enjoy their brief time with us.

Also welcome are our match officials, Peter Creagh, Simon Cook and Brian Capel.

It's a big week for tonight's visitors as they look forward to their FA Vase semi final at Corsham on Saturday. It stirs many memories of our own time at the same stage a few years back. We wish them all the very best for a great day out.

At the same time, we hope they might be a little distracted by it for tonight's game. Our recent fortunes could certainly do with every little bit of help going.

With Josh, James and George all out injured on Saturday, our game against North Greenford was always likely to be a challenge but an early goal gave us a lift until a powerful equalizer pulled us back and an error early in the second half ultimately was the deciding factor in a well balanced game.

So the quest for points continues. They are also elusive for the teams

around us and so the odd one picked up here and there could be crucial.

We go across to Hendon FC's Silver Jubilee Park where Edgware & Kingsbury ground share on the 3G pitch on Saturday. It is a ground that has seen a number of tenants down the years.

Successive home games follow swiftly. The rearranged game against London Lions, moved to next Wednesday as announced at the weekend has reverted back to its original date of next Tuesday so please make a note of that.

For the Easter weekend we are at home to Virginia Water on the Saturday and make the short hop across the A412 to Harefield United on Easter Monday for a 3pm kick off.

We are into the last month of the season and need a big push to get over the line. Your support is invaluable and much appreciated.

Enjoy the game and safe home afterwards.

Ascot Utd

The first record of Ascot United was in 1928 and it seems that over the years teams by that name formed and re-formed when until 1965 when a men's team who played their games at Sunninghill, with "after match meetings" in The Wells public house in Cheapside village.

Soon after the club gained permission from Ascot Racecourse to convert the land west of coach park 10 into a football pitch where the club is still located today. A wooden clubhouse was built and around this time this team went on to win many prestigious trophies in the years that followed.

A small number of various youth teams represented Ascot United over the years up to 1988, but from 1989 there was an increase in demand for youth football. In 1992 there came a turning point when small-sided football was introduced for 7 and 8 year olds by Keith Wickes the club's chairman who established The East Berks Youth League to enable local clubs to play competitive matches against each other.

From that point the 'new' Ascot United

started to take shape;

1990, A new clubhouse was erected at the Racecourse Ground

1991, A new 11 a side pitch and training area were constructed on what is now the 3G

2003, A partnership with Charters School was established and for the first time all our players could train in the evenings under floodlights on an Astro pitch. The first club website went live

2004, Ascot United was awarded FA Charter Community club status, one of the first clubs in the UK to receive the award. By now the club had grown to 43 teams, including 3 girls teams, veterans and 4 adult mens teams

2006, The first team became champions of the Reading Senor league gaining promotion to the Hellenic league 1st Division East and also won the Reading Evening Post Cup Final at the Madejeski Stadium in Reading

2010, By now the club had outgrown their facilities at the Racecourse and after a complex project a new clubhouse and other facilities were built with the help of funding from the Football Foundation and RBWM. The senior team were runners up in Hellenic 1st Division East and were promoted to the Hellenic Premier league.

2011, In August Ascot United made their first appearance in the FA Cup at home to Wembley FC. It was a night of many firsts as the trophy came to Ascot and the match was the first game to be screened live by Facebook.

Unfortunately the result was a 1-2 defeat but the ground record of 1,150

still stands.

Recent, By now Ascot United teams were regularly winning leagues and cups. The girls led the way winning county cups in Surrey and Berks and Bucks. The boys soon followed with several county cup successes. The first team got in on the act winning the Hellenic League cup in 2016 and 2018.

Meanwhile the pitches and facilities were struggling to keep up with the amount of football being played and a second major project was started to install a 3G pitch at the Racecourse ground. Eventually in October 2019 the new pitch was opened by Greg Clark, Chairman of the FA. Then after 6 fantastic months of the whole club using the 3G Covid-19 struck, affecting football throughout the country.

The first team were run away leaders in their first season in the Combined Counties league but the FA nullified all the non-league results and the promotion dream was not to be

Ascot United in 2020

Covid-19 affected football as it affected everyone but in the months we were able to use the 3G it became clear that it would affect the way the club operates.

The Sunday Soccer School for the under 5s and 6s has been replaced by an Academy running mid week on the 3G. The 3G was used for a very successful daytime summer camp which previously was not possible on grass. The Vets joined a league for the first time. A new website was launched, social media played a more important role in communication, the catering and bar

became a 7 day cashless operation but planning for Football with Covid has been a major headache.

We are all hoping for a successful season on and off the pitch.

The Club Today

The Club has grown to become one of the largest football clubs in the UK. Currently there are over 750 registered players, embracing all ages from age 5 and all levels of ability.

Ascot United fields 55 teams every weekend including 5 adult teams and 6 girls' teams. It is supported by over 50 businesses who provide various forms of sponsorship, it is run by over 100 volunteers 80 of whom have formal FA coaching qualifications.

The club's status was underlined in August 2004 when it became an FA Charter Community club, at the time only the second club in Berkshire to receive this award.

The Future

Despite all the changes Ascot United will always remain as a sustainable football club at the heart of the community proving everyone from age 4 to veterans, boys and girls and men and women with the opportunity to play and enjoy football in a fantastic location with modern facilities.

Our Club History

Chalfont St Peter AFC

The club was formed in 1926 and played local junior football from its ground on Gold Hill Common.

1948 saw a move to the Great Western Combination and a year later the club moved to its present location, although the picturesque name of Mill Meadow belies its origins as a refuse tip. As the club developed off the field thanks to the support of many volunteers so success began to arrive on the field and in 1952 the first silverware was won, the Berks & Bucks FA Intermediate Cup. Senior status followed and progress through the Parthenon League, London League and Spartan League followed.

The early 1970's were difficult for the club but a move into the Athenian league saw a change in fortunes.

The 1980's, now in the Isthmian League, brought some consistency in league performances and some successful campaigns in the FA Cup and FA Vase.

The 1990's was another difficult decade, culminating in a low point of two successive bottom places.

2001/02 saw a rebuild under Martin Dean with a good start to the season but

a subsequent falling away saw them finish 14th. The lower echelons became the accustomed territory for Saints for several seasons until Dean's departure at the end of the 2003/04 season.

Managing Chalfont to victory in the Berks & Bucks Under-18 Challenge Cup was a young Danny Edwards. His reward was to be handed the reins of the First Team for the new season. And so began a rollercoaster ride of success and near misses that continued until just recently.

A restructuring within the Isthmian league at the end of the 2005/06 season saw Saints moving to the Spartan South Midlands Premier League.

2006/07 saw a top half finish in their first season in the Spartan and a trophy for the cabinet, the Wycombe Senior Cup, secured with a 7-0 win over Downley Albion at the Wycombe Wanderers ground.

2007/08 was a hugely successful season. Danny Edwards was developing an exciting squad and the style of play was both entertaining and successful. Good runs in both the FA Cup and FA Vase came together with a Final appearance in the Premier Division Cup. Topping them all was winning the Challenge Trophy with a 2-0 win over Brimsdown Rovers. A close three-horse race in the league saw Saints pipped at the post into runners-up spot.

2008/09 was about building on the standards set in the previous season. And it didn't disappoint. Some top scalps in the FA Cup heralded a season of cup runs. The FA Vase was the crowning glory, with the Saints making it all the way to the semi-final and being heart

breaking seconds away from winning the right to play at Wembley. Saints were in the hunt for the league title all the way to the last week of the season but the fixture congestion caused by the cup successes began to tell and they couldn't quite make it across the line, eventually finishing a brave third.

Expectations were high going into season 2009/10 after going close to promotion in the two previous seasons. A slow start and a nightmare run of losses in October saw the title chase wobble and rapid exits from all cup competitions. But an incredible run of form with just one defeat in 23 took Saints to the top to the pile where they became the target for other teams' top performances and it wasn't until they were overtaken by Aylesbury in the last two games that they had to settle for the runners-up spot again.

At the start of 2010/11, the aim was clear: promotion was the number one target. Getting off to an incredible start in notching up seventeen straight wins, Saints grabbed top spot and refused to relinquish it for the entire season, never being less than four points clear at any stage. The focus was clear and any progress in the cups was quickly curtailed. Such was the dominance in the league, the champagne corks popped with five games to spare as the title was secured. The curtain was brought down on the record breaking season and their five year stay in the Spartan League by winning the Challenge Trophy for an unprecedented league and cup double. For the 2011/12 season, life was expected to be a trial for Saints yet they

made a bright start in their new environs and quickly acclimatised. For long periods they were genuine contenders but a poor end to the season saw them fall away into the mid table.

A strong run in the FA Cup illuminated the 2012/13 season. An impressive win at Carshalton Athletic earned a tie against Conference side Bishop's Stortford. A draw at Mill Meadow set up a replay that ultimately proved a step too far. With a lack of firepower, the 2013/14 was a disappointing way to mark Danny Edwards' tenth season in charge. The lack of goals consigned the side to a mid-table finish despite boasting one of the meanest defences.

2014/15 saw the goals begin to return. A promising start saw the side hard to beat but too many draws held them back. A run in the FA Cup, was coupled with a strong run in November that saw the club in a playoff position but from such heights, a miserable New Year run saw them tumble down into relegation territory. It took a stubborn recovery in April to ensure eventual safety.

2015/16 was a highwater mark for Saints in their current run in the Southern League. Putting aside an early exit in the FA Cup Saints went on to head the table at New Year and looked set for their first tilt at the play offs, if not more. Sadly they repeated the poor run of results thereafter and fell away to finish sixth. Still an excellent all-round season as Tony Mendy secured top scorer honours in the division with 30 goals.

In contrast, season 2016/17 was possibly the poorest in over a decade. A storming start to the season saw Saints in top spot

throughout August but the hole left by the departed Mendy was never filled and as the goals dried up so the tumble down the table gathered pace. Some poor signings added to the problems and the second half of the season delivered just four wins and for a while relegation was a real possibility before safety was finally achieved.

2017/18 was one of our most exciting seasons in the Southern League, our seventh, with the side in playoff contention right up until the final few games. Our peerless record against those sides who ultimately claimed the top places, with just the single defeat in 12 games, including a notable double against champions Beaconsfield Town, underlined how competitive a side we were. Still struggling for goals, it was our defence that led the way with 16 clean sheets. It was a season that saw ever-green skipper Alan Hedley pass the 500 games mark and manager Danny Edwards reach 700 games in charge. Saints embrace change but enjoy stability at the same time.

2018/19 saw Saints return to the Isthmian League after 12 seasons as football was restructured. An inconsistent defence and a shortage of goals ensured Saints were unable to escape the mid-table places. Towards the end of the season, Danny Edwards signalled his wish to step down from the role he had held with such distinction and Saints had to begin the process of finding a new manager.

If 2019/20 season became the one that never happened, it provided a new launch point for Chalfont as Finlay

Johnson took over the reins. New faces and promising youth saw the season start well but a lack of goals eventually started to take its toll. A mid-table finish looked to have been secured before the lockdown put a premature end to the season.

Silverware for both the Under-18s and the Under 23s certainly raised the spirits in the club in the 2020/21 season but for the Senior side the season barely got going before it was abandoned.

2021/22 proved to be a season of shattered dreams. The optimism of an opening day win soon turned into a season best watched from behind the sofa as it seemed that everything that could go against the side did. Several changes of manager failed to halt the slide and with too many games decided by a single or a late goal, and with a squad decimated by injuries and departures, relegation from Step 4 after 11 seasons was confirmed in a play-off game.

2022/23 sees Saints in the Combined Counties League North Division. For the second time in recent years, Saints have had to rebuild from the ground up and look forward to a more stable season.
