Welcome to the game

A very warm welcome to Mill Meadow for this evening's Combined Counties League match against London Lions.

We particularly welcome their players, supporters and officials to Chalfont and hope they enjoy their brief time with us.

Also welcome are our match officials, Jonathan Was, Brian Capel and Anthony Cox.

I have lost count of the number of times this fixture has been postponed so it will be good to see Lions for the first time since the very first game of the season.

Last week saw us lose to an agonizingly last goal against league leaders Ascot. Against a side scoring 2.5 goals a game we were playing so well and on the way to comfortably holding them goalless when a slip in the dying seconds let them in to nick the win. Such are the fates when you are at the wrong end of the table!

A heavy defeat at Edgware & Kingsbury on Saturday, together with wins for teams around us, saw us slip a place, albeit on goal difference.

Taking a moment away from the darkness at the foot of the table, it is more than possible that matters at the top could be resolved in fairly short order. Ascot have opened up

their lead at the top of the table to nine points as Reading stumbled on Saturday and it looks more likely that they will be in the scrap for the play off spot with Egham and Flackwell. Burnham are out of title contention and have to rely on some major slip ups elsewhere to contend for the play off spot.

Congratulations go out to Ascot United for their FA Vase win at the weekend at Corsham, securing a place for themselves at Wembley for the final on 21 May against Newport Pagnell Town.

For the Easter weekend we are at home to Virginia Water on the Saturday and make the short hop across the A412 to Harefield United on Easter Monday for a 3pm kick off.

We are into the last weeks of the season and need a big push to get over the line. Your support is invaluable and much appreciated.

Enjoy the game and safe home afterwards.

London Lions

In the summer of 1995, the players and officials of Maccabi Association London (MAL) decided that they had reached the limits of Sunday football and that a new challenge was required. The Hertfordshire Senior County League was a popular choice, and the club made its debut in the 95/96 season under a new name of MALEX.

Four years later the club had made many friends but had narrowly missed out on promotion from Division 1 in each season. During the summer of 1999, the club revised its management structure, and decided to change its name to LONDON MACCABI LIONS, whilst retaining its all-Jewish status.

Under the management team of Bobby Fisher and Adam Solomons the 1st team lost only three league games that season as they won the Division 1 and reached the semi-finals of the Aubrey Cup. The club grew into one of the strongest teams

in the Premier League but had to wait to land its first major honour in 2007 when Lions beat Metropolitan Police to lift the Herts Centenary Trophy. This was supplemented by the Reserves who were also promoted as champions, in 2002, and made it to three Herts Reserve Cup finals, winning one in 09/10.

After a decade in the Herts Premier, in 2009/10 now under the stewardship of Tony Gold and Steve Grenfell, Lions won the Herts Senior County League for the first time in the club's history, winning promotion to the Spartan South Midlands League in the process. The following season – the club's first in the South Midlands Division One – they added a second Herts Centenary Trophy beating Letchworth Garden City Eagles 3-2 in the final. Lions were able to go on better in 2012/13, winning the South Midlands Division One title and promotion to the heights of the South Midlands Premier Division. The club also made their debut in the FA Cup, winning 4-0 against Clapton.

Now just one league away from semi-professional football, it was a tall order for a team missing a number of players who had departed following promotion, and so 2013/14 saw Lions suffer their first ever relegation at the end of a difficult season.

Having steadied the ship, the club

decided to return to the Herts Senior County League for 2015/16 in order to rebuild.

Seeking to promote a new generation under manager Andy Landesberg, there was immediate reward by winning the Anagram Records Trophy at the end of their first season, with most of the starting XI having come through the club's massive youth set up. We then achieved an unprecedented treble in winning the league, Centenary Trophy and, for the first time, the Aubrey Cup.

The club was welcomed back to Spartan South Midlands League where we have won further honours in the shape of the Division One Cup (2018), Herts Centenary Trophy (2019) and Spring Cup (2021) while threatening to get promotion to the Premier Division before Covid struck.

The club was reassigned to the Combined Counties League Division One in the summer of 2021 and we are again targeting promotion to the next step, as well as representing our community with pride.

Our Club History

Chalfont St Peter AFC

The club was formed in 1926 and played local junior football from its ground on Gold Hill Common.

1948 saw a move to the Great Western Combination and a year later the club moved to its present location, although the picturesque name of Mill Meadow belies its origins as a refuse tip. As the club developed off the field thanks to the support of many volunteers so success began to arrive on the field and in 1952 the first silverware was won, the Berks & Bucks FA Intermediate Cup. Senior status followed and progress through the Parthenon League, London League and Spartan League followed.

The early 1970's were difficult for the club but a move into the Athenian league saw a change in fortunes.

The 1980's, now in the Isthmian League, brought some consistency in league performances and some successful campaigns in the FA Cup and FA Vase.

The 1990's was another difficult decade, culminating in a low point of two successive bottom places.

2001/02 saw a rebuild under Martin Dean with a good start to the season but

a subsequent falling away saw them finish 14th. The lower echelons became the accustomed territory for Saints for several seasons until Dean's departure at the end of the 2003/04 season.

Managing Chalfont to victory in the Berks & Bucks Under-18 Challenge Cup was a young Danny Edwards. His reward was to be handed the reins of the First Team for the new season. And so began a rollercoaster ride of success and near misses that continued until just recently.

A restructuring within the Isthmian league at the end of the 2005/06 season saw Saints moving to the Spartan South Midlands Premier League.

2006/07 saw a top half finish in their first season in the Spartan and a trophy for the cabinet, the Wycombe Senior Cup, secured with a 7-0 win over Downley Albion at the Wycombe Wanderers ground.

2007/08 was a hugely successful season. Danny Edwards was developing an exciting squad and the style of play was both entertaining and successful. Good runs in both the FA Cup and FA Vase came together with a Final appearance in the Premier Division Cup. Topping them all was winning the Challenge Trophy with a 2-0 win over Brimsdown Rovers. A close three-horse race in the league saw Saints pipped at the post into runners-up spot.

2008/09 was about building on the standards set in the previous season. And it didn't disappoint. Some top scalps in the FA Cup heralded a season of cup runs. The FA Vase was the crowning glory, with the Saints making it all the way to the semi-final and being heart

breaking seconds away from winning the right to play at Wembley. Saints were in the hunt for the league title all the way to the last week of the season but the fixture congestion caused by the cup successes began to tell and they couldn't quite make it across the line, eventually finishing a brave third.

Expectations were high going into season 2009/10 after going close to promotion in the two previous seasons. A slow start and a nightmare run of losses in October saw the title chase wobble and rapid exits from all cup competitions. But an incredible run of form with just one defeat in 23 took Saints to the top to the pile where they became the target for other teams' top performances and it wasn't until they were overtaken by Aylesbury in the last two games that they had to settle for the runners-up spot again.

At the start of 2010/11, the aim was clear: promotion was the number one target. Getting off to an incredible start in notching up seventeen straight wins, Saints grabbed top spot and refused to relinquish it for the entire season, never being less than four points clear at any stage. The focus was clear and any progress in the cups was quickly curtailed. Such was the dominance in the league, the champagne corks popped with five games to spare as the title was secured. The curtain was brought down on the record breaking season and their five year stay in the Spartan League by winning the Challenge Trophy for an unprecedented league and cup double. For the 2011/12 season, life was expected to be a trial for Saints yet they

made a bright start in their new environs and quickly acclimatised. For long periods they were genuine contenders but a poor end to the season saw them fall away into the mid table.

A strong run in the FA Cup illuminated the 2012/13 season. An impressive win at Carshalton Athletic earned a tie against Conference side Bishop's Stortford. A draw at Mill Meadow set up a replay that ultimately proved a step too far. With a lack of firepower, the 2013/14 was a disappointing way to mark Danny Edwards' tenth season in charge. The lack of goals consigned the side to a mid-table finish despite boasting one of the meanest defences.

2014/15 saw the goals begin to return. A promising start saw the side hard to beat but too many draws held them back. A run in the FA Cup, was coupled with a strong run in November that saw the club in a playoff position but from such heights, a miserable New Year run saw them tumble down into relegation territory. It took a stubborn recovery in April to ensure eventual safety.

2015/16 was a highwater mark for Saints in their current run in the Southern League. Putting aside an early exit in the FA Cup Saints went on to head the table at New Year and looked set for their first tilt at the play offs, if not more. Sadly they repeated the poor run of results thereafter and fell away to finish sixth. Still an excellent all-round season as Tony Mendy secured top scorer honours in the division with 30 goals.

In contrast, season 2016/17 was possibly the poorest in over a decade. A storming start to the season saw Saints in top spot

throughout August but the hole left by the departed Mendy was never filled and as the goals dried up so the tumble down the table gathered pace. Some poor signings added to the problems and the second half of the season delivered just four wins and for a while relegation was a real possibility before safety was finally achieved.

2017/18 was one of our most exciting seasons in the Southern League, our seventh, with the side in playoff contention right up until the final few games. Our peerless record against those sides who ultimately claimed the top places, with just the single defeat in 12 games, including a notable double against champions Beaconsfield Town, underlined how competitive a side we were. Still struggling for goals, it was our defence that led the way with 16 clean sheets. It was a season that saw ever-green skipper Alan Hedley pass the 500 games mark and manager Danny Edwards reach 700 games in charge. Saints embrace change but enjoy stability at the same time.

2018/19 saw Saints return to the Isthmian League after 12 seasons as football was restructured. An inconsistent defence and a shortage of goals ensured Saints were unable to escape the mid-table places. Towards the end of the season, Danny Edwards signalled his wish to step down from the role he had held with such distinction and Saints had to begin the process of finding a new manager.

If 2019/20 season became the one that never happened, it provided a new launch point for Chalfont as Finlay

Johnson took over the reins. New faces and promising youth saw the season start well but a lack of goals eventually started to take its toll. A mid-table finish looked to have been secured before the lockdown put a premature end to the season.

Silverware for both the Under-18s and the Under 23s certainly raised the spirits in the club in the 2020/21 season but for the Senior side the season barely got going before it was abandoned.

2021/22 proved to be a season of shattered dreams. The optimism of an opening day win soon turned into a season best watched from behind the sofa as it seemed that everything that could go against the side did. Several changes of manager failed to halt the slide and with too many games decided by a single or a late goal, and with a squad decimated by injuries and departures, relegation from Step 4 after 11 seasons was confirmed in a play-off game.

2022/23 sees Saints in the Combined Counties League North Division. For the second time in recent years, Saints have had to rebuild from the ground up and look forward to a more stable season.
