Welcome to the game

A very warm welcome to Mill Meadow for today's Combined Counties League Premier Division North game against Bedfont Sports.

A particular welcome to our visitors, and we hope their players, officials and supporters enjoy their short stay with us.

We also welcome our match officials; Andreas Anastasiou, Luke Partington and James Bird.

Results continue to go against us, with further defeats since our last outing at Mill Meadow. That game, a caning at the hands of Ardley, was something of an outlier in our current run. Most games have been decided by a late goal, that often being the margin of loss. Our susceptibility to late goals was taken to the n th degree at Burnham with a stoppage time goal undoing a dominant second half performance. Against a fluid Milton side in midweek, it was again the final 15 minutes that did for us.

It's hard to believe that our last win was against today's visitors, way back in early December. Today, they are in a stronger position to claim a place in the playoffs and we are ... where we are.

Seven weeks remain of the season and we have 11 games to play. There is still a long way to go and, with new

signings coming in and others, some of whom may not have fancied the battle we are in, going out, nothing is written in stone.

Much has been written about the tragic passing of Charlie Strutton recently. Few players were as universally loved as was Charlie. A career sadly cut short by injury, it was his personality even more than his goals that made him an irresistible member of our title winning side and his loss is hard to even comprehend. Our thoughts are with his own young family and his wider family

We are back on the road next weekend with a trip to Risborough Rangers and then to Wallingford & Crowmarsh before a return on Easter Saturday for Reading City. Easter Monday's game at Hilltop has been moved a day and will be played on Uxbridge's new plastic pitch.

More than a quarter of the season remains. Your support is invaluable.

Enjoy the game and safe home afterwards.

COME ON THE SAINTS

Charlie in his final game for Saints on 19 November 2016

Charlie Strutton

Today we mourn the loss, while celebrating the life of Charlie Strutton, who died in recent days at the heart-wrenching age of 34.

Charlie, who rose through the Saints' ranks of youth football, played a pivotal role in what were the two finest seasons in Saints' recent history with a goalscoring record that has not been matched in the more than decade since.

31 goals in the season that so nearly took the club to Wembley in the FA Vase was surpassed with the 35 that secured the Spartan League title in 2010/11.

In his time at Mill Meadow he appeared in 226 games, finding the net on 134 occasions.

Deservedly, Charlie's prowess earned him a place in the professional game but injuries curtailed his opportunities, but he is fondly remembered at AFC Wimbledon and other clubs.

Tributes flooded in on the news, among them:

Manager Danny Edwards said, "Very difficult to put into words how many lives Charlie touched. He was an incredibly talented young man and someone who would put others before himself. Seeing him progress into the pro game was such a proud moment for us all. My thoughts go to all his family.
RIP Chaz."

Captain John Carroll said, "Such a privilege to share a changing room with this guy. He was a true gent and played the game with honesty and integrity. He touched so many lives throughout his career and will be truly missed.
RIP Strutts, condolences to all the family."

Chairman Denis Mair summed up the feelings we all have right now, "Words cannot express the unbearable sadness I feel following the news of Charlie's passing. Without question a light has gone out at Chalfont St Peter and for everyone that knew Charlie. He will be remembered in the most loving and cherished ways that all good souls who enter our lives, however briefly, are remembered. Our love and condolences from absolutely everyone at Chalfont St Peter go to his family in the knowledge that we've all been touched by a rare gift that in time will give us all the strength to carry on. Charlie, my few words don't go anywhere near doing you the justice that you so deserve but it comes purely from my heart to you."

Bedfont Sports

Bedfont Sports Club was founded in 2002, when with considerable help from the local Council a lease was taken out on the near derelict Hatton Road Recreation Ground.

The only building on the site was refurbished to allow use as a bar and clubhouse on the ground floor and changing rooms on the upper one. Most of this work was carried out or supervised by the Chairman Dave Reader. Much work was also done to the playing area to provide playable pitches for Bedfont Sports on Saturdays and Bedfont Sunday, one of the oldest Sunday teams in Middlesex, on Sundays. To give the Club a junior section Bedfont Eagles, formed in 1978, joined the two adult Clubs a short time later.

Bedfont Sports started in the Hounslow and District League for two seasons and then joined the Middlesex County Football League, this being a feeder League to Step 5. More work was needed to enable

the team to play in the Premier Division of the MCFL to which they gained promotion in 2004/05. After many ups and downs promotion was finally achieved to the Combined Counties in season 2008/09.

In the Combined Counties League Bedfont gained promotion to the Premier Division in season 2011/12 and have spent the past few seasons consolidating that position.

During this time the club worked hard to raise funds to upgrade our facility to one of the best in Middlesex. In 2010 we started work on floodlights and a new dressing room block was built together with a 3G five a side pitch and an 11v11 3G pitch along with over 750 seats in 4 stands on all 4 sides of the ground, which now complete gives us one of the best facilities not only in Middlesex but in the south of England.

Bedfont Sports is a true Community Club catering for 25 Junior Teams. a girls section, 2 Bedfont Sunday teams and our 1st Team who last season were promoted to the Bostik League and step 4 football.

The Youth Section is particularly vibrant playing in the Bostik Youth League (currently Top of the Division) and having won the Middlesex County Senior Cup back in 2015 and lost in last year's final.

We are very proud that our Youth teams have been home-grown from Bedfont Eagles and with some real talent coming through this will continue for years to come.

A Club such as Bedfont Sports could not exist without sponsors so a big thank you to them and to the volunteers who give their time on match days and to the marking and upkeep of the ground and facilities.

In November 2020 we lost our leader, David Reader who passed away. He left a massive hole in the

club and our community which we are still recovering from now. David was a true grass roots hero, building the club from nothing to make sure children in the community not only had somewhere to play, but also have the very best facilities. His legacy will live on through every Bedfont Eagle that wears the shirt and I'm sure he is with us at every game, kicking every ball and as he always said, trying to suck it in at the other end !!

This legend.

Never complains.

Never stops.

Never goes missing.

And without them - the game wouldn't exist.

Our Club History

Chalfont St Peter AFC

The club was formed in 1926 and played local junior football from its ground on Gold Hill Common.

1948 saw a move to the Great Western Combination and a year later the club moved to its present location, although the picturesque name of Mill Meadow belies its origins as a refuse tip. As the club developed off the field thanks to the support of many volunteers so success began to arrive on the field and in 1952 the first silverware was won, the Berks & Bucks FA Intermediate Cup. Senior status followed and progress through the Parthenon League, London League and Spartan League followed.

The early 1970's were difficult for the club but a move into the Athenian league saw a change in fortunes.

The 1980's, now in the Isthmian League, brought some consistency in league performances and some successful campaigns in the FA Cup and FA Vase.

The 1990's was another difficult decade, culminating in a low point of two successive bottom places.

2001/02 saw a rebuild under Martin Dean with a good start to the season but

a subsequent falling away saw them finish 14th. The lower echelons became the accustomed territory for Saints for several seasons until Dean's departure at the end of the 2003/04 season.

Managing Chalfont to victory in the Berks & Bucks Under-18 Challenge Cup was a young Danny Edwards. His reward was to be handed the reins of the First Team for the new season. And so began a rollercoaster ride of success and near misses that continued until just recently.

A restructuring within the Isthmian league at the end of the 2005/06 season saw Saints moving to the Spartan South Midlands Premier League.

2006/07 saw a top half finish in their first season in the Spartan and a trophy for the cabinet, the Wycombe Senior Cup, secured with a 7-0 win over Downley Albion at the Wycombe Wanderers ground.

2007/08 was a hugely successful season. Danny Edwards was developing an exciting squad and the style of play was both entertaining and successful. Good runs in both the FA Cup and FA Vase came together with a Final appearance in the Premier Division Cup. Topping them all was winning the Challenge Trophy with a 2-0 win over Brimsdown Rovers. A close three-horse race in the league saw Saints pipped at the post into runners-up spot.

2008/09 was about building on the standards set in the previous season. And it didn't disappoint. Some top scalps in the FA Cup heralded a season of cup runs. The FA Vase was the crowning glory, with the Saints making it all the way to the semi-final and being heart

breaking seconds away from winning the right to play at Wembley. Saints were in the hunt for the league title all the way to the last week of the season but the fixture congestion caused by the cup successes began to tell and they couldn't quite make it across the line, eventually finishing a brave third.

Expectations were high going into season 2009/10 after going close to promotion in the two previous seasons. A slow start and a nightmare run of losses in October saw the title chase wobble and rapid exits from all cup competitions. But an incredible run of form with just one defeat in 23 took Saints to the top to the pile where they became the target for other teams' top performances and it wasn't until they were overtaken by Aylesbury in the last two games that they had to settle for the runners-up spot again.

At the start of 2010/11, the aim was clear: promotion was the number one target. Getting off to an incredible start in notching up seventeen straight wins, Saints grabbed top spot and refused to relinquish it for the entire season, never being less than four points clear at any stage. The focus was clear and any progress in the cups was quickly curtailed. Such was the dominance in the league, the champagne corks popped with five games to spare as the title was secured. The curtain was brought down on the record breaking season and their five year stay in the Spartan League by winning the Challenge Trophy for an unprecedented league and cup double. For the 2011/12 season, life was expected to be a trial for Saints yet they

made a bright start in their new environs and quickly acclimatised. For long periods they were genuine contenders but a poor end to the season saw them fall away into the mid table.

2014/15 saw the goals begin to return. A promising start saw the side hard to beat but too many draws held them back. A run in the FA Cup, was coupled with a strong run in November that saw the club in a playoff position but from such heights, a miserable New Year run saw them tumble down into relegation territory. It took a stubborn recovery in April to ensure eventual safety.

2015/16 was a highwater mark for Saints in their current run in the Southern League. Putting aside an early exit in the FA Cup Saints went on to head the table at New Year and looked set for their first tilt at the play offs, if not more. Sadly they repeated the poor run of results thereafter and fell away to finish sixth. Still an excellent all-round season as Tony Mendy secured top scorer honours in the division with 30 goals.

In contrast, season 2016/17 was possibly the poorest in over a decade. A storming start to the season saw Saints in top spot throughout August but the hole left by the departed Mendy was never filled and as the goals dried up so the tumble down the table gathered pace. Some poor signings added to the problems and the second half of the season delivered just four wins and for a while relegation was a real possibility before safety was finally achieved.

2017/18 was one of our most exciting seasons in the Southern League, our seventh, with the side in playoff

contention right up until the final few games. Our peerless record against those sides who ultimately claimed the top places, with just the single defeat in 12 games, including a notable double against champions Beaconsfield Town, underlined how competitive a side we were. Still struggling for goals, it was our defence that led the way with 16 clean sheets. It was a season that saw ever-green skipper Alan Hedley pass the 500 games mark and manager Danny Edwards reach 700 games in charge. Saints embrace change but enjoy stability at the same time.

2018/19 saw Saints return to the Isthmian League after 12 seasons as football was restructured. An inconsistent defence and a shortage of goals ensured Saints were unable to escape the mid-table places. Towards the end of the season, Danny Edwards signalled his wish to step down from the role he had held with such distinction and Saints had to begin the process of finding a new manager.

If 2019/20 season became the one that never happened, it provided a new launch point for Chalfont as Finlay Johnson took over the reins. New faces and promising youth saw the season start well but a lack of goals eventually started to take its toll. A mid-table finish looked to have been secured before the lockdown put a premature end to the season.

Silverware for both the Under-18s and the Under 23s certainly raised the spirits in the club in the 2020/21 season but for the Senior side the season barely got going before it was abandoned.

2021/22 proved to be a season of shattered dreams. The optimism of an opening day win soon turned into a season best watched from behind the sofa as it seemed that everything that could go against the side did. Several changes of manager failed to halt the slide and with too many games decided by a single or a late goal, and with a squad decimated by injuries and departures, relegation from Step 4 after 11 seasons was confirmed in a play-off game.

2022/23 was a tough learning experience for Saints. A preseason that saw the management and playing squad hollowed out for the second time in recent years ultimately proved too much for manager Dean Goodliff and in the new year Michael East and Liam Dwyer took joint control of the team. The threat of relegation never went away and in a crazy end to the season when the three bottom sides couldn't help but win, Saints held their nerve at Harefield to secure the final day win to ensure safety.

Saints will look to take the lessons learned from a chastening season into 2023/24 with a greater sense of confidence and stability and will be looking to the higher regions of the table and not looking down.
