## Welcome to the game

A very warm welcome to Mill Meadow for tonight's Combined Counties League Premier Division North game against North Greenford United.

A particular welcome to our visitors, and we hope their players, officials and supporters enjoy their short stay with us.

We also welcome our match officials; Paul Sangster, Steven Conway and Bailey Wood.

The highs and lows of a very difficult seasons are beginning to crystalize as we slipped into bottom place after a chastening defeat at Reading City on Tuesday. Reading's place in mid-table has always been a false guide as they have so many games to catch up as they have suffered so many postponements. Now they are catching up, they must be one of the favourites to claim one of the remaining playoff places.

Without doubt our options are reducing and the opportunity to haul ourselves clear is narrowing by the day.

Still, while there is breath there is hope. Wokingham could yet implode and we could find the elusive goalscoring touch.

Away from our problems, the position at the top of the table is a fascinating one, with Flackwell and Rayners Lane battling for the crown. It is a contest that should have gone to the final game, which would have made our final game, at home to Flackwell, so

important. As it is, Rayners Lane have been deducted four points for fielding an ineligible player which, barring a collapse in form, should give Flackwell an unassailable lead. So they can relax against us!

A large amount will have been spent to win the title so to lose it on an administrative mistake is something that all club secretary's will have nightmares about.

Our opponents tonight will have had playoff aspirations of their own up until recently but whether their own backlog of fixtures (they have 3 games in 3 days next week) has affected them, they have dropped away. However, they always raise themselves against us!

On Saturday we travel to Virginia Water for our last away game of the season and then, on the 27th, we close the season at home against champions-elect, Flackwell Heath.

Thanks, as always for your support during these current tough times. It is much appreciated..

Enjoy the game and safe home afterwards.

## Today's visitors

### North Greenford United

The club was founded in September 1944 as a youth team with a senior side formed the following year. In 2002, following the installation of floodlights, the club was elected to the Combined Counties League.

In 2003/04, managed by Steve Hawkins, the club were runners-up in the Premier Challenge Cup losing 4-1 to AFC Wimbledon. In 2004/05 they finished league runners-up and in 2006/07, under Mick Harvey, reached the Challenge Cup final again, this time losing 4-1 to Merstham.

Steve Ringrose took over the Manager's job in 2008/09 achieving runners-up spot for the second time. Under Ringrose season 2009/10 was the most successful in the club's history when we were crowned CCL Champions, earning promotion to the newly-formed Southern League Division One Central, and also winning the MFA Charity Cup beating Enfield Town 1-0 in the final.

Despite having a difficult first season at the higher level the First Team succeeded in retaining its Step 4 status.

However, the first half of season 2011/12

saw the club struggling in the league and Ringrose was replaced by Neil Shipperley who managed to steer the side away from the threat of relegation.

Experiencing an even more difficult time at the start of season 2012/13, Shipperley was re-appointed and our campaign that year was saved by an amazing end-of-season run which saw the team finish just above the relegation places. In 2013/14 we again struggled and Shipps resigned midway through the season.

He was replaced by Paul Palmer, supported by Don Bennett. We narrowly escaped the drop and, following another indifferent start to the 2014/15 campaign, Bennett took over from Palmer, but he too resigned in December when results did not improve. Reserve Manager Barry Morris took over and, after an initial struggle, another impressive end-of-season run saw the team finish above AFC Hayes, and we were granted a reprieve by the FA.

In September Morris resigned and, with the club rooted at the bottom of the table, the committee appointed two ex-Greenford players – Ricky Pither and Danny Bennell – as joint First Team managers. However, results did not improve, and this time there was to be no reprieve. We were eventually offered a place in the CCL Premier Division after successfully appealing against an FA decision to place the club in the Hellenic League.

Our return to Step 5 football at the start of season 2016/17 began very badly and a decision was taken in October to

appoint the experienced management team of Danny Vincent and Colin Murphy. Results improved and the club ended the season in a promising 13th position. We were hoping for further improvements in 2017/18 but appalling weather conditions saw the season extended into the second week of May. Despite ending the campaign on a high with four wins on the spin, the team again finished 13th but with fewer points than the previous year.

Vincent and Murphy then unexpectedly resigned, and shortly after this the club were informed of an FA decision to move NGU to the Spartan League Premier Division. The committee re-appointed Paul Palmer and Matt Penfold who had just won promotion with Southall. Unfortunately, in 2018/19 we again became embroiled in a relegation fight and, although 3 late wins helped secure our survival as a Step 5 club, the committee felt they had no choice but to again make managerial changes.

Following two successful seasons as Under 18's manager, the decision was taken to appoint Colin Jones and his Youth management team, with Dino Pashias taking over as Youth Team manager. During the two seasons cut short by the Covid-19 pandemic much progress was made with regards player development, and in 2020/21 the team had a magnificent run in the FA Vase. For the first time in the club's history, we reached the Third Round Proper.

In April 2021 Colin Jones decided to resign as First Team Manager. The Committee met shortly afterwards and unanimously agreed to offer the position

to Assistant Managers Paul Mills and Gary Brown. Paul and Gary accepted the offer, agreeing with each other to share the responsibilities of the post. It was confirmed in May 2021 that the club would be placed in the newly formed CCL Premier Division North.

As it happened season 2021/22 proved the most successful since the club were crowned CCL champions back in 2010. At the turn of the year the Blues were holding on to second place behind runaway leaders Hanworth Villa. But, despite some disappointing results during the second half of the season the team finished in 5th place, a tremendous achievement for Paul, Gary and their players.

Last season, with Paul and Gary again at the helm, supported by Terry Schofield on his return to the club, we completed a remarkable 54 fixtures in league and cup competitions, despite again experiencing appalling weather conditions that led to numerous postponements. These resulted in having to play over a quarter of our league games in April – 10 in all – and still managing to end our campaign in a very creditable 8th position. It was also one of the club's most successful seasons in cup competitions. We reached the First Qualifying Round in the FA Cup, the Quarter-final of the MFA Senior Challenge Cup and, most successfully, the Third Round Proper of the FA Vase for a second time, and Final of the CCL Premier Challenge Cup.

# Our Club History

## Chalfont St Peter AFC

The club was formed in 1926 and played local junior football from its ground on Gold Hill Common.

1948 saw a move to the Great Western Combination and a year later the club moved to its present location, although the picturesque name of Mill Meadow belies its origins as a refuse tip. As the club developed off the field thanks to the support of many volunteers so success began to arrive on the field and in 1952 the first silverware was won, the Berks & Bucks FA Intermediate Cup. Senior status followed and progress through the Parthenon League, London League and Spartan League followed.

The early 1970's were difficult for the club but a move into the Athenian league saw a change in fortunes.

The 1980's, now in the Isthmian League, brought some consistency in league performances and some successful campaigns in the FA Cup and FA Vase.

The 1990's was another difficult decade, culminating in a low point of two successive bottom places.

2001/02 saw a rebuild under Martin Dean with a good start to the season but

a subsequent falling away saw them finish 14th. The lower echelons became the accustomed territory for Saints for several seasons until Dean's departure at the end of the 2003/04 season.

Managing Chalfont to victory in the Berks & Bucks Under-18 Challenge Cup was a young Danny Edwards. His reward was to be handed the reins of the First Team for the new season. And so began a rollercoaster ride of success and near misses that continued until just recently.

A restructuring within the Isthmian league at the end of the 2005/06 season saw Saints moving to the Spartan South Midlands Premier League.

2006/07 saw a top half finish in their first season in the Spartan and a trophy for the cabinet, the Wycombe Senior Cup, secured with a 7-0 win over Downley Albion at the Wycombe Wanderers ground.

2007/08 was a hugely successful season. Danny Edwards was developing an exciting squad and the style of play was both entertaining and successful. Good runs in both the FA Cup and FA Vase came together with a Final appearance in the Premier Division Cup. Topping them all was winning the Challenge Trophy with a 2-0 win over Brimsdown Rovers. A close three-horse race in the league saw Saints pipped at the post into runners-up spot.

2008/09 was about building on the standards set in the previous season. And it didn't disappoint. Some top scalps in the FA Cup heralded a season of cup runs. The FA Vase was the crowning glory, with the Saints making it all the way to the semi-final and being heart

breaking seconds away from winning the right to play at Wembley. Saints were in the hunt for the league title all the way to the last week of the season but the fixture congestion caused by the cup successes began to tell and they couldn't quite make it across the line, eventually finishing a brave third.

Expectations were high going into season 2009/10 after going close to promotion in the two previous seasons. A slow start and a nightmare run of losses in October saw the title chase wobble and rapid exits from all cup competitions. But an incredible run of form with just one defeat in 23 took Saints to the top to the pile where they became the target for other teams' top performances and it wasn't until they were overtaken by Aylesbury in the last two games that they had to settle for the runners-up spot again.

At the start of 2010/11, the aim was clear: promotion was the number one target. Getting off to an incredible start in notching up seventeen straight wins, Saints grabbed top spot and refused to relinquish it for the entire season, never being less than four points clear at any stage. The focus was clear and any progress in the cups was quickly curtailed. Such was the dominance in the league, the champagne corks popped with five games to spare as the title was secured. The curtain was brought down on the record breaking season and their five year stay in the Spartan League by winning the Challenge Trophy for an unprecedented league and cup double. For the 2011/12 season, life was expected to be a trial for Saints yet they

made a bright start in their new environs and quickly acclimatised. For long periods they were genuine contenders but a poor end to the season saw them fall away into the mid table.

2014/15 saw the goals begin to return. A promising start saw the side hard to beat but too many draws held them back. A run in the FA Cup, was coupled with a strong run in November that saw the club in a playoff position but from such heights, a miserable New Year run saw them tumble down into relegation territory. It took a stubborn recovery in April to ensure eventual safety.

2015/16 was a highwater mark for Saints in their current run in the Southern League. Putting aside an early exit in the FA Cup Saints went on to head the table at New Year and looked set for their first tilt at the play offs, if not more. Sadly they repeated the poor run of results thereafter and fell away to finish sixth. Still an excellent all-round season as Tony Mendy secured top scorer honours in the division with 30 goals.

In contrast, season 2016/17 was possibly the poorest in over a decade. A storming start to the season saw Saints in top spot throughout August but the hole left by the departed Mendy was never filled and as the goals dried up so the tumble down the table gathered pace. Some poor signings added to the problems and the second half of the season delivered just four wins and for a while relegation was a real possibility before safety was finally achieved.

2017/18 was one of our most exciting seasons in the Southern League, our seventh, with the side in playoff

contention right up until the final few games. Our peerless record against those sides who ultimately claimed the top places, with just the single defeat in 12 games, including a notable double against champions Beaconsfield Town, underlined how competitive a side we were. Still struggling for goals, it was our defence that led the way with 16 clean sheets. It was a season that saw ever-green skipper Alan Hedley pass the 500 games mark and manager Danny Edwards reach 700 games in charge. Saints embrace change but enjoy stability at the same time.

2018/19 saw Saints return to the Isthmian League after 12 seasons as football was restructured. An inconsistent defence and a shortage of goals ensured Saints were unable to escape the mid-table places. Towards the end of the season, Danny Edwards signalled his wish to step down from the role he had held with such distinction and Saints had to begin the process of finding a new manager.

If 2019/20 season became the one that never happened, it provided a new launch point for Chalfont as Finlay Johnson took over the reins. New faces and promising youth saw the season start well but a lack of goals eventually started to take its toll. A mid-table finish looked to have been secured before the lockdown put a premature end to the season.

Silverware for both the Under-18s and the Under 23s certainly raised the spirits in the club in the 2020/21 season but for the Senior side the season barely got going before it was abandoned.

2021/22 proved to be a season of shattered dreams. The optimism of an opening day win soon turned into a season best watched from behind the sofa as it seemed that everything that could go against the side did. Several changes of manager failed to halt the slide and with too many games decided by a single or a late goal, and with a squad decimated by injuries and departures, relegation from Step 4 after 11 seasons was confirmed in a play-off game.

2022/23 was a tough learning experience for Saints. A preseason that saw the management and playing squad hollowed out for the second time in recent years ultimately proved too much for manager Dean Goodliff and in the new year Michael East and Liam Dwyer took joint control of the team. The threat of relegation never went away and in a crazy end to the season when the three bottom sides couldn't help but win, Saints held their nerve at Harefield to secure the final day win to ensure safety.

Saints will look to take the lessons learned from a chastening season into 2023/24 with a greater sense of confidence and stability and will be looking to the higher regions of the table and not looking down.
